

2016 Jubilee Year of Mercy

The Catholic Church is celebrating the Year of Mercy in 2016. Students at Our Lady Queen of Heaven School will be doing monthly activities that will go along with one of these works of mercy.

In **January** our focus is **Visit the Imprisoned**. Students colored cards that will be sent to area jails with parish members who do jail ministries. Brenda Walczak will deliver our cards sometime in February. These cards let them know that students and staff are praying for them and wishing them God's healing and peace. No student names were included in the cards.

At Our Lady Queen of Heaven we will share pictures of our monthly activities on the blue bulletin board in the hallway near the church. Look for all of the great ways our students are fulfilling their duties as Catholics as they perform these Works of Mercy.

Watch for activities in **February** when our focus will be **Visit the Sick**.

ACS Mission: To inspire excellence and personal growth grounded in Catholic principles and tradition.

ACS Vision: A community of academic excellence, Catholic in spirit and culture, nurturing integrity and respect.
