## Royal Parents Association

As a parent of an ACS student(s), we realize time is very precious. The Royal Parents Association would not be possible without the many parent volunteers to help with the various events. Volunteering is a great way to further our Mission, meet new families, and teach your children the importance of service projects. Even if you only have two hours to spare, we would really appreciate your help.

**Please choose how your family will participate and return this form to your school's office by September 12, 2016.**

**Thank you for taking an active role in your student's education.**
