

12/13/24

Dear OLQH Families,

Thank you to all the families who attended our 4K and K-2 Christmas concerts! We were overjoyed by the wonderful turnout of family and friends, and your support truly made these events so special. A heartfelt thank you goes to our incredible students, dedicated staff, and the talented Mrs. Rifleman for their hard work and creativity in making each concert a resounding success!

As we prepare our hearts for the birth of our Savior, let us remember to keep the true meaning of the season at the center of our lives. In the midst of the rush and busyness, it can be easy to lose sight of what Christmas is truly about. Advent offers us a beautiful opportunity to pause, find quiet moments, and draw closer to God through prayer and reflection. I encourage you to take time with your family to sit together in prayer, opening your hearts to hear how God is revealing Himself to each of you during this holy season.

Sincerely,
Ms. Shelley L. Bruley

What's Jammin' in Gym?

December 2024 Edition

It is hard to believe we are nearing the end of Hex 3 and Christmas is approaching.

We completed our second annual Turkey Trot and it was a huge success. Congratulations to all our students for doing their best and participating in the race. Every one of them embraced St. Sebastian in their actions during the Trot. Congratulations to Boden Keyzer for being the "Grand Turkey", and completing the race in six minutes. My hats off to all the other winners for a job well done.

We have been having much fun when the Riverkings join us for class. The team brings so much excitement to class. The Riverkings show and embrace the importance of a team, communication, sportsmanship, and dedication.

We have been having a fantastic time building snowmen, gingerbread men, gingerbread houses, ornaments, Rudolph, and hockey rinks with items we use in our physical education class. The students needed to plan what their team was to build, execute, and retrieve the items by moving on the Spooner board. Ask your child to tell you about their Spooner board experience.

During the Christmas season take time to play as a family, take a walk, play outside, and play a board game...have fun with each other!

May you all have a very Merry Christmas and a happy and healthy 2025!

Below are some pictures of the students' creations and on the Spooner boards:
