

Dear OLQH Families,

Even though this was a short week with no school on Monday for teacher training and Tuesday due to the cold weather, our students accomplished a lot and continued to grow in their learning!

We are excited to celebrate National Catholic Schools Week next week! We hope you can join us for one of our parent luncheons, attend our all-ACS Mass, and stop by our book fair.

Thank you for choosing Assumption Catholic Schools. At OLQH, we strive to provide a safe, supportive environment where students experience academic excellence along with a strong emphasis on the teaching of our Catholic faith and values. Our commitment to integrating Catholic beliefs into all parts of the school day ensures your children receive a faith-filled and well-rounded education.

We are truly grateful for the opportunity to partner with you in the education and faith formation of your children. Thank you for being a part of our school community!

Blessings,

Ms. Shelley L. Bruley

## Assumption Catholic Schools 4K Program

8:35 AM - 3:35 PM / Monday-Friday  
 Following the school calendar / ½ day AM option is available upon request  
 Eligible for Before and After School Child Care

Assumption Catholic Schools welcomes 4-year-olds to our community of learners. As one of their first introductions to school, our 4K program provides a safe and enjoyable environment where children can build a strong foundation for future learning while embracing the Catholic values that are central to our school system. Our goal is to give each child the best possible start as they embark on their faith-inspired educational journey.

**Our goals for each child:**

- Develop a love of learning and a love of Christ
- Foster independence
- Grow social and personal skills (following directions, cooperation, good manners)
- Learn positive ways to communicate, express emotions and solve problems
- Provide opportunities for students to learn through play and other meaningful hands on experiences
- Provide a sound foundation for early literacy and math skills
- Give opportunities to help children explore their natural curiosities

ACS staff members are passionate about understanding each student—how they learn and what helps them thrive in school. We create a nurturing learning environment dedicated to offering students opportunities to express themselves and use their imaginations. As a team, we are committed to fostering growth in responsibility, independence, and confidence in every child.

**On a typical day in 4K, your child will experience:**

- Carpet time, including prayer, pledge, calendar activities, show-and-share, songs, finger plays, and stories
- Large and small group activities including early literacy, math skills, hands on science, community learning, and religion.
- Music, physical education, and library lessons by the OLOH specialists
- Snack time
- Catechesis of the Good Shepherd – weekly
- Inquiry based guided play choice centers
- Outside Time/Recess
- Art activities

Registration will open on Thursday, January 30th. Space is limited. Students must be 4 years old before September 1, 2025.
