

1/31/25

Dear OLQH Families,

Thank you from the bottom of our hearts for making Catholic Schools Week such a meaningful celebration of faith and community. Your generous contributions to our staff breakfast, enthusiastic support of the book fair, participation in our family lunches, and heartfelt prayers during our ACS system Mass truly reflect the spirit of our school family. Your presence and involvement strengthen our mission and remind us of the blessings of being part of this incredible community.

As we celebrate the commitment to Catholic education, it's a great time to reflect on one of the key factors that contributes to student success: regular attendance. Did you know that students who attend school consistently achieve at higher levels and develop essential skills like persistence and perseverance? These habits start in the early grades and build a foundation for future success—not just in academics but in life. Every day a student is present is an opportunity for growth, learning, and connection. Thank you for partnering with us to ensure your child is building strong attendance habits.

Blessings,
Ms. Shelley L. Bruley

OLQH is Going Red

February is American Heart Association Month and our school is participating in the Kids Heart Challenge. This year's theme is ducks! To celebrate, we will be having a dress down day on Monday, February 3rd. Students can wear anything red or show their spirit with a duck-themed outfit. Let's support heart health together.
