Our Lady Queen of Heaven K-2 August 20, 2024 Commission Report

School begins on August 28, and the staff at Our Lady Queen of Heaven is excited to welcome every student.

We extend our heartfelt thanks to Fr. Guanella, the OLQH parishioners, and the Assumption Catholic Schools community for their incredible efforts in making our summer upgrades a reality. Thanks to their hard work, our school now features energy-efficient windows, bright LED lighting, fresh coats of paint, drop down ceilings, and brand-new bathroom stall partitions, all of which have greatly enhanced the look and feel of our building!

Our Little Royals Roundup will be on Monday, August 26 from **6-7 pm**. This event gives students and parents the opportunity to meet teachers, connect with classmates, explore classrooms, and ask any questions they may have before the school year begins.

OLQH School welcomes Michelle Gachnang and Christine Lauzon to our team. Michelle will be joining us as our new 4K teacher, while Christine will be serving as a teacher's aide/paraprofessional, primarily working with our kindergarten students. Christine will also lend her support to other grade levels as her schedule permits.

The Catechesis of the Good Shepherd program will begin the week of September 16 for all of our OLQH students.

Fr. Guanella will lead a special school blessing ceremony with our students on August 30 at 9:30 a.m., marking the beginning of a new school year with prayers for guidance, protection, and success.

Our first school Mass will be held on Tuesday, September 3, at 9:00 a.m. We invite you to join us and share your faith with our little ones as we come together in prayer and community to start the school year.

During the 2024-2025 school year, the OLQH staff will be focused on achieving several important goals:

1. Continuing our work on the WRISA school improvement goals, particularly the documentation of how we purposefully integrate religion and Catholic values into all subject matter.
2. Participating in Science of Reading training to enhance our literacy instruction.
3. Engaging in training for the Responsive Classroom approach, which aims to create a positive and effective learning environment for all students.

Respectfully submitted by:

Shelley Bruley

Mission: *To inspire excellence and personal growth grounded in Catholic principles and tradition*

Assumption Middle and High School (6-12) August 20, 2024 Commission Report

Middle School and High School

The first day of school for seniors will be Monday, August 26th, and 6th – 11th grades will begin on Wednesday, August 28th. This year we will start our first day with all students (August 28th), with an assembly to welcome students back and introduce new teachers and staff. We will end the day with mass. The Eucharistic Procession around the building, which has taken place on the first day of school the last couple of years, will occur on Friday, August 30th.

Throughout the past few months, the summer maintenance crew has done a wonderful job preparing the building for the start of the school year. They have been working extremely hard and their efforts are very much appreciated.

We welcomed five new teachers to the team this summer: Beth McKinney (Business), Sarah Krans (FACE, Technology, and Religion), Michael Martling (Middle School English and Science), Luke Schloemer (Latin and Religion), and Veronica McCarthy (Middle School Reading and Technology). Anne Zacher will return to teach Spanish I, II, and III this year. We are returning the mentor program to help our new teachers settle in and navigate their new positions.

We welcomed the teachers back on August 19th and they are preparing for the upcoming school year. Camp Royal will be Wednesday, August 21st from 3:00 pm to 5:00 pm, to welcome all the 6th graders and new students to Assumption Middle School. The rest of the middle and high school students will have Locker Stop and Drop on Thursday, August 22nd from 4:00 pm to 6:00 pm.

We will be working with Mid-State Technical College on the direct admission initiative again this year. Seniors at Assumption High School will be automatically accepted at Mid-State and if they choose to enroll, they will no longer need to go through the process of applying to the technical college. Members of the Mid-State staff are available throughout the year to talk with students who are interested in various topics, such as how to apply for financial aid, scholarship opportunities, college planning process, etc. Information about how this process works and benefits the school will be sent out to families of seniors early in the school year.

We are looking forward to a great 2024-2025 school year.

Campus Ministry

Confirmation prep in the city parishes is moving to a more collaborative effort. Fr. Weller and Jessica Sommers are coordinating Confirmation prep for 10th graders at AHS for students from Sts. Peter and Paul, Our Lady Queen of Heaven, St. Philip, St. Lawrence, and St. Vincent de Paul. This additional preparation is simply a couple of extra classes and a retreat hosted at the school: no parish classes are required for these students to be confirmed.

This year, some ministries previously held by AHS will move to a deanery level of coordination. Dead Theologians Society (DTS) and Steubenville conference trips are now a deanery ministry not in the direct coordination of the campus minister or chaplain.

As the new year starts, many announcements will be made about youth opportunities around the school and city. The focus at the school will be Fireside youth evenings for high school students and Arise nights for middle schoolers. Each of these ministries will occur once a month.

CURRENT FINANCE COMMITTEE BY-LAWS

(Article VII., 1., a.–vii. of the Education Commission By-Laws)

Approved August 16, 2022

- a. The Finance Committee exclusively directs itself to sound policies of management of the school system funds and plant. Receiving from the Dean, Pastors, and system administration the program of school life, it organizes the temporal goods of the system for the implementation of the program of school life. At the same time, it frees the Commission from the time consuming and often technical concerns of developing sound financial policies. The work of the finance council, however, remains spiritual. It is accomplished by members of the Church for the sake of the Church's mission.
 - i. The Finance Committee will address financial issues and assist the President in preparing an annual budget to be presented to the Commission. It shall review financial statements and budgets, provide solutions to financial challenges and facility needs, and capitalize on opportunities available to ACS.
 - ii. *Ex officio* members of the Finance Committee are the Dean, supporting Pastors, President, and Controller. A recording secretary will be appointed by the President.
 - iii. Appointed members of the Finance Committee are one (1) representative from each of the supporting parishes and one (1) representative from the Assumption Foundation, Inc., who should be different from the members of the Commission, unless particular circumstances demand otherwise.
 - iv. Other members dedicated to the Church's mission and skilled in dealing with financial matters may be appointed by the Dean in consultation with the Executive Committee.
 - v. All appointed members should be known for their ability and integrity in the administration of temporal goods; however, all close relatives of the Dean, President, and Controller are excluded from appointment to the Finance Committee, as are system employees, or the spouse, parent, or child of system employees.
 - vi. Because of the particular qualities required of the members of the Finance Committee, the appointed members are to be appointed by the Dean after careful inquiry regarding who among the faithful are best qualified for appointment. The names of candidates for appointment, however, should be kept in confidence lest, if they are not appointed, any questions be raised publicly regarding their good character or competence in temporal matters.
 - vii. All appointed members of the Finance Committee serve a two-year term that may be renewed indefinitely (following, nonetheless, the requirements of Article VII, section 5).

PROPOSED REVISION OF THE FINANCE COMMITTEE BY-LAWS

(Article VII., 1., a.–vii. of the Education Commission By-Laws)

- b. The Finance Committee exclusively directs itself to sound policies of management of the school system funds and plant. Receiving from the Dean, Pastors, and system administration the program of school life, it organizes the temporal goods of the system for the implementation of the program of school life. At the same time, it frees the Commission from the time consuming and often technical concerns of developing sound financial policies. The work of the finance committee, however, remains spiritual.  - i. The Finance Committee will address financial issues and assist the President in preparing an annual budget to be presented to the Commission. It shall review financial statements and budgets, provide solutions to financial challenges and facility needs, and capitalize on available opportunities.
 - ii. *Ex officio* members of the Finance Committee are the Dean, supporting pastors, the President, and the Finance Manager. A non-member recording secretary will be appointed by the President, if one is required.
 - iii. There shall be between 7 and 10 appointed members of the Finance Committee, who should be different from the members of the Commission, unless particular circumstances demand otherwise.
 - iv. Members are to be nominated by the supporting pastors or the Executive Committee and are appointed by the Dean in consultation with the Executive Committee; however, all close relatives of the Dean, President, and Finance Manager are excluded from appointment to the Finance Committee, as are system employees, or the spouse, parent, or child of system employees.
 - v. All appointed members should be known for their ability and integrity in the administration of temporal goods. They should be dedicated to the Church's mission, skilled in dealing with financial matters, and have knowledge of non-profit management, funding, or related subjects. Appointed members serve the entire system without preference given to special groups or categories.
 - vi. Because of the particular qualities required of the members of the Finance Committee, the appointed members are to be appointed after careful inquiry regarding who among the faithful are best qualified for appointment. The names of candidates for appointment, however, should be kept in confidence lest, if they are not appointed, any questions be raised publicly regarding their good character or competence in temporal matters.
