

1 10 2020

Happy New Year! We are in full swing and embracing the New Year. The students are STAR Testing and having fun in the snow. Next week we will be welcoming Ms. Ashley Heimkes to our staff. Ms. Heimkes is a recent graduate of UWSP and will be providing academic support and strategies for our students. Mrs. Heuer will be moving to the middle and high school. We will miss her and thank her for all she has done for our school.

Have a great weekend!

Peace and Grace to your family,
Mrs. Gudelis

Rapids Family Backpack (RFB) Program accepting new applicants

The Rapids Family Backpack Program and ACS grades K-5 have partnered together to provide a weekend meal in a backpack to those families in need. We have a few openings for 2nd semester. If your family is interested in the program, please complete the waiver form and return it to the school. We will contact you and plan to start new enrollees on January 31st. If you have any questions please call Beth Kuhn at (715) 422-0956 or email at ekuhn@assumptioncatholicschools.org

See flyer in this week's Friday envelope for more details.

Student Services News

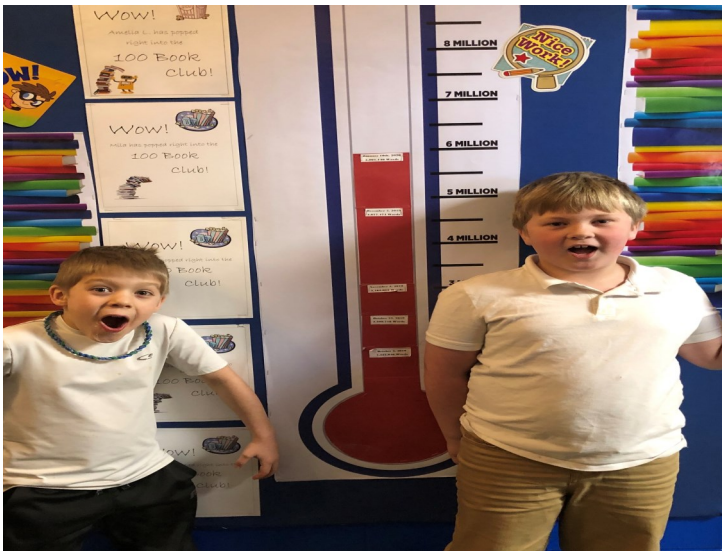

Student Services classroom time is just wrapping up our topics of empathy and compassion. We will now be moving on to our next unit on Feelings and Emotions. I will be introducing topics related to the calming down process and using self-talk in problem solving. I hope you will be able to **take** some time with your child to complete the home-link worksheets that are sent home. This is a good home-school connection for our students and reinforcing topics learned at school are discussed and modeled at home. When the student brings back the completed worksheet, he/she will get to pick out of the sticker box. Our lunch bunch support groups have continued and have received positive feedback from the students. This is another great way for students to discuss various problem solving and coping strategies for concerns that may arise in the school or home environment. Please let me know by phone or email if there are other ways we can help support your child at school.
