

11/17/2023

Dear OLQH Families,

We have successfully completed the second hex of the school year! We are so proud of all that your children are accomplishing and learning here at school. Next week, you will receive your child's report card. I encourage you to take some time to review your child's report card and talk with him or her about school and study habits.

Next week is a short week in school, but an important one. We will be closed Wednesday-Friday in celebration of Thanksgiving. We all have much to be thankful for, and I hope you can find time to reflect, pray, and thank God for all the blessings He has given you throughout your life.

Happy weekend!

Sincerely,  
Ms. Shelley Bruley

*"This is the day that the LORD has made; let us rejoice and be glad in it." - Psalm 118:24*

# What's Jammin' in Gym?

November 2023 Edition

It is hard to believe we are at the end of Hex 2 already. The students have been learning the importance of teamwork, following directions, trying their best, and being respectful. Ask your students to tell you about St. Sebastian, and have your student recite the St. Sebastian prayer. This is the prayer we recite before the start of each physical education class. At the end of physical education class we all take part in a Good-bye Candace, as a reminder that we are all athletes and put forth our best effort in class.

We have been having a lot of fun when the Riverkings join us for class. The team brings an exciting twist to class. The students have been engaged in a wide variety of activities to show the importance of physical activity and teamwork.

During the month of September, the students had fun with different games to promote their locomotor skills. October brought out the ghosts, ghouls, and witches....even in physical education class. Ask your student to tell you about their favorite Halloween physical education game. November brings out the turkeys in all of us! The students have been having fun playing Stuff the Turkey, Wobble-Wobble, Gobble-Gobble Tag, and Turkey Bowling.

At the end of every physical education class, the students must assess their class to determine how they all did as a class. For every ten punches earned, the class receives a free choice day in physical education class. This is to promote working as a team, sportsmanship, following directions, being kind, and listening skills.

Mrs. Eckelberg

# Fall Recess Fun!

The students loved the beautiful, fall weather!

# OLQH Awards

Leighton read 100,000 words, Romie read 200,000 words and Hayden is a Math Master.

Margaret, Cole, Sam, and Aleks are Math Masters.
