Dear OLQH Families,

It is hard to believe that we are down to our last three weeks of the school year! During this time there is still a lot of learning happening and many special activities occurring. Thank you, families, for making sure your children are well rested and ready to go.

Teacher and Staff Appreciation Week was celebrated this week. I am constantly amazed by the hard work and energy our OLQH teachers and staff put into making sure all of our students are successful both academically and spiritually. Please join me in extending a thank you to our extraordinary teachers and staff for the incredible work they do every day!

To all the wonderful mothers in our school community, we celebrate you today and every day. Your love, support, and endless dedication make a world of difference in the lives of your children and our school family. Wishing you a day filled with joy, love, and cherished moments. Thank you for all that you do!

Happy weekend and God bless,
Ms. Shelley Bruley
