A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

May 17, 2024

Dear Families,

We have so many things to be grateful for this week. As we travel around the county on our field trips we are able to see places in a new way. Thank you for being able to take the time to participate in the field trips, preparing something for the classroom, or coming in to work with us.

May 24 will be the last day for our AR points. Please work with your angel to reach all 3 of their reading goals: points, non-fiction, and percent correct. May 28 is the last day that counts for the Million Words Read thermometer. We have almost doubled our count of students who have reached 1,000,000 words from last year!

As we are whisked through the end of the year, please help your child be organized and ready for school. We are all scurrying around to get in those final units and activities before the end of the school year. We are seeing quite a bit of missing assignments lately. Please address the importance of completing their work with your child.

Keep practicing those math facts! To be ready for the new school year, please be trying out all sorts of ways to practice through the summer. Maybe hanging out at Stay Smart is in your future summer plans.

Please note that the last day of school is a full day. [A Last Day Blast Volunteer Sign Up](#) is live to donate snacks, but more importantly, to volunteer (even for an hour) for our activities. **WE NEED YOU!** (Or someone else who has their background check complete.)

Our planning for next year is constant already. Please share your positive news with others so that we can increase our enrollment. More specific information will come in the July Family Mailing.

Peace to you,

Mrs. Fochs

5/19 Cash Sweepstakes Drawing 4:00pm; Royal Event Series-Trivia @ AHS 5:00pm

Our Students and staff

The bus ride on the field trip is a huge part of creating those memories on a field trip. The friendships made in all areas of our life are important.

5th Grader's went into the church to get a photo of their Mother's Day gifts with the Holy Mother.

Million and Beyond!

Amelia**	Logan **	Aaron	Kiptyn**	Joseph	Lizzy M.	George**	Stella
Rogan	Elliot	Mila	Miles	Violet	Rhettta	Addy	Reese
Lizzy G.	Zephyra	Oliver	Jayden	Macen	Sophia	Franz	Aria

**denotes 2,000,000

Congratulations, Addy, on your 2,000,000 words read!

Congratulations, Anna, Jenna, and Nick on your 1,000,000 words read!

3RD GR. PROJECT

The 3rd grade really worked hard on their Mother's Day gifts. Thank you to the dad's and grandpa's who came in to help pound them together.

5TH GR. SAFETY PATROL TRIP

Thank you to the 5th graders who committed to keeping our school safe this year. Your time and energy spent on safety patrol is appreciated. It looks like you all had fun in Wisconsin Dells, courtesy of the Safety Patrol Council of Wisconsin. Thank you, also, Mr. Klicka and Officer Pelot, for helping us along in our safety journey.

SPRING BAND CONCERT 2024

Congratulations to all of the 4th and 5th grade band students on a wonderful concert. Thank you for all of your hard work and passion for music. We know what it takes to continue your love for music. Keep it going.

5TH GR. GOES TO CITY REGIONALS

Congratulations to our 5th grade Math 24 team who attended the regional tournament at the PAC on Thursday. After 3 rounds these mathematicians placed 3 Assumption students in the top 5!

This is our first year attending the competition and this team repped SVDP very well. It took a lot of hard work to practice during recess and at home to be at the top.

3rd grade field trip to the planetarium, Lake Pacawa for lunch, and then Skipp's bowling alley...and then DQ!

Our math skills are ramping up!! All the operations are being taken care of on our data wall. When you hit the divisions in 3 minutes, you are at the top of list to throw the football through the net during lunch. You can also see a peek of the Million Word Read goal thermometer!

Congratulations, Mrs. Ruesch and Mrs. Jablonsky. We can't wait to meet the new little ones when we come back in the fall!
