A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

May 3, 2024

To the most important adults in the lives of our students,

May greetings to you. May is a very special month in the Catholic calendar as it marks the month of Mary. This is a time when we should take time to think about Mary and reflect on how she is the Mother of Jesus and Mother to us all. During this month we should take time out from our day to reflect and pray to Mary, especially when we are all living through new and uncertain times. Take a look at the various ways you can have Mary intercede for you and your family.

Teacher Appreciation Week is being celebrated 5/5-10. Thank you for supporting us with your kindness and love so that we can be here for your children every day.

Please note that the last day of school is a full day. [A Last Day Volunteer Sign Up](#) is live to donate snacks, but more importantly, to volunteer (even for an hour) for our activities. WE NEED YOU! (Or someone else who has their background check complete.)

Our planning for next year is constant already. Please share your positive news with others so that we can increase our enrollment. More specific information will come in the July Family Mailing.

As we are whisked through the end of the year, please help your child be organized and ready to meet goals. We are all scurrying around to get in those final units and activities before the end of the school year. We are seeing quite a bit of missing assignments lately.

Please address the importance of completing their work with your child.

Peace to you,

Mrs. Fochs

Make Screen Time Safe and Positive

A copy of a Family Tech Planner has been attached to the email Friday Folder and also put in the Friday Folder. Use these planners to inspire conversations about tech use as a family.

Entertainment and tech have the potential to spark meaningful conversations. And tech planners are a great way for kids to have a shared understanding of how your family makes the most out of entertainment and tech time.

MAY DAY, MAY 1

The 3rd grade made May baskets for our neighbors. They took a neighborhood walk and delivered them all.

Happy May Day

3RD GR. READING GOALS...CHECK!

4TH GR. SAFETY PATROL

It's time for our 4th grade to start training as 5th grade and take on more advanced roles in our school. Thank you for stepping up 4th grade!!
