Eucharistic Procession 2024

The Eucharist is the source and summit of the whole Christian life. A Eucharistic Procession, is a public witness of the veneration toward the most holy Eucharist, conducted through public streets. It takes place in this way: A consecrated host, the real and substantial presence of Jesus Christ is placed within a monstrance, which is then lifted and carried by a priest who leads the faithful in procession. . This earthly journey reminds the Catholic faithful of their spiritual journey toward eternal life with God.
