

10/03/24

We have successfully completed the first six weeks of our school year! Report cards will be sent home on Friday, October 11, followed by parent-teacher conferences. Parent-teacher conferences are an excellent opportunity to meet your child's teacher, learn how your child is progressing in school, and understand the teacher's expectations. When teachers, parents, guardians, and students work together, anything is possible! Please plan to attend.

Did you know that each month has a special Catholic dedication? The month of October is dedicated to the Rosary. The Rosary is a powerful prayer given to us by Mary herself. Our Heavenly Mother has asked us to pray this prayer. Through the Rosary, we meditate on the mysteries of Jesus's life, death, and resurrection, drawing closer to Him. Praying the Rosary at home is a perfect way to spend time in prayer with your children.

Our virtue for the month of October is hope. Throughout the month, students will learn how hope is a gift from God, giving us the strength to firmly trust that God will grant us the endless happiness of Heaven and the means to obtain it if we do what He asks of us.

Wishing you a beautiful and blessed weekend,
Ms. Shelley L. Bruley
