

10/11/24

It is encouraging to see so many participants signed up for our upcoming Parent-Teacher Conferences. Our teachers are looking forward to talking with you! A strong parent-teacher partnership can help your child be more successful in school. Together, we can do great things for our children!

As October continues, so does our study of the virtue of hope. Hope is a very important gift to share with children. It helps us desire happiness in God. Below are some ways families can share hope with their children:

1. Let children know that God is always with us, in good times and in bad.
2. Find ways to bring hope to others. For example, have children draw a picture or make a card to send to a grandparent or elderly family member.
3. Pray together for those suffering from illness, living in poverty, or experiencing injustice.

4. Remind children to ask for God's help when things don't go right.

Let children see you find joy in even the most mundane tasks.

Good luck to our Assumption High School Football team! Friday's Homecoming game starts at 7 p.m. at South Wood County 2000 Stadium. Go ROYALS!

Wishing you a beautiful and blessed weekend!

Ms. Shelley L. Bruley
